

Kearns Davis Recognized As Volunteer Of The Week

Guilford Record North

April 13, 2008

Partner Kearns Davis was the featured Volunteer of the Week in the April 13 issue of Guilford Record North, a publication of the *News & Record*.

The article covered Kearns' work for Legal Aid of North Carolina, the nonprofit law firm which provides free legal services in civil matters to 28% of North Carolina's population, as well as his contributions to 4ALL, the North Carolina Bar Association's public service day held on April 4. Kearns says the attorneys who participated were excited and energized because they felt like they were able to help, and those they helped were genuinely grateful.
