

Cady Bar the Door

The Insider Trading Cartoon Series, Vol. XII -- The Innocent Intermediary

Join us as our heroine Jane gives away a little too much information to her husband Bob, who then seeks legal advice about what he's heard. Bob's lawyer Nikhil gives good advice by telling him to keep a lid on it, but then goes on a frolic and detour of his own. Not everybody is liable in the Insider Trading Cartoon Series. Sometimes mistakes are just mistakes.
