Chambers USA is a leading guide to the legal profession, and determines its annual rankings through confidential, in-depth interviews with clients and attorneys and an assessment of recent work. Attorneys are ranked in their respective practice areas on the basis of legal knowledge and experience, ability, effectiveness and client service. Law firm departments are ranked using these qualities, as well as effectiveness and capability of the department as a whole. More information on the rankings process can be found at <https://chambers.com/guide/usa?publicationTypeId=5>.
