Compliance in Competition

In a rapidly evolving competitive market, understanding and complying with state and federal antitrust laws has never been more crucial. Brooks Pierce attorneys bring years of experience helping businesses and executives remain compliant with antitrust, trade secret and consumer protection laws.

We work with clients in a broad range of industries including healthcare, construction, and automotive as well as represent the trade associations for a variety of fields including communications and recycling.

Our clients seek counsel on a wide variety of business operations, such as:

- Advising clients in obtaining merger approval from federal and state authorities
- Writing and enforcing covenants not to compete and restrictive employment covenants
- Developing sales and marketing practices
- Franchising and distribution
- Negotiating mergers and acquisitions
- Creating joint ventures
- Providing antitrust training
- Requesting and appealing certificates of need
- Antitrust litigation
- Responding to civil investigative demands by the Department of Justice and regulatory bodies

How can we help your business remain compliant in competition?
