Jann provides significant paralegal experience to attorneys in intellectual property, corporate and civil litigation practice areas. For many years, she worked as a civil litigation paralegal; today she primarily works in the Intellectual Property practice area as a trademark paralegal.

As a trademark paralegal, she maintains and monitors the firm's trademark database and docket system containing more than 4,000 trademarks. She performs trademark clearance searches in U.S. and International databases; she coordinates with attorneys, as well as clients and foreign agents, regarding domestic and foreign trademark applications and renewals. She performs intellectual property due diligence searches; and is responsible for preparing and filing security liens with the US Patent and Trademark Office and the U.S. Copyright office.

Jann provides support to attorneys by conducting background checks and asset searches, researching county real property and courthouse records, assisting with corporate research, and assisting with document reviews and trial preparation.
