

Baldwin Presents at National Institute of Health (NIH), National Heart, Lung and Blood Institute (NHLBI) Regional Innovation Conference

09.21.2014

As part of the National Institute of Health (NIH), National Heart, Lung, and Blood Institute's (NHLBI) Regional Innovation Conference, Charles Baldwin participated in a panel that included executives from GlaxoSmithKline, HemoShear, McGeever, and Hatteras Venture Partners. The panel discussed multiple facets of the development of life sciences products and medical devices, including accelerating product and sales cycles, pitfalls for new entities, products to avoid, and private and public fundraising, including crowdfunding.
