

Brooks Pierce Sponsors Annual United Arts Council Event

03.06.2023

Brooks Pierce proudly sponsors “Big Night in for the Arts” presented by WRAL and hosted by the Chatham Arts Council, Durham Arts Council, Orange County Arts Commission and United Arts Council of Raleigh and Wake County. This event features performances by Rissi Palmer, Chatham Rabbits, Dasan Ahanu, Beth Leavel, Larry & Joe and Cost ‘n Mayor, among other local artists. It is viewable at 7 p.m. on March 9 via multiple online platforms and WRAL Channel 5. A watch party will be hosted at The Mayton Inn in Cary, NC.

Big Night In for the Arts was born of the COVID-19 pandemic as a collaborative effort between WRAL and the four county arts councils of the Triangle. Recognizing the immense impact the pandemic had on the arts industry, Big Night In allowed the arts of the entire Triangle to be showcased and uplifted by WRAL, one of the largest media platforms in our region. While the arts industry is recovering post-pandemic, Big Night In continues to serve as an annual opportunity to tell the story of the arts, showcase their impact, and raise money for arts programming throughout the region. In addition to showcasing artists and arts organizations throughout the Triangle, Big Night In for the Arts has raised \$615,000 for arts programs to date. Brooks Pierce partner Anna Tison serves on the United Arts Council of Raleigh and Wake County Board of Directors.
