

Brooks Pierce Partners Author Litigation Overview Guide

04.09.2015

Brooks Pierce partners Kearns Davis and Clint Morse recently authored *Litigation Overview: North Carolina*, published by Practical Law. This Q&A guide provides general information about North Carolina civil litigation. It discusses the North Carolina court structure, state statutes and rules governing litigation procedure. It also covers the attorney admissions process (including admission without examination, *pro hac vice* admission, and in-house counsel registration).

For more information or to order a copy of the guide, visit the Practical Law website.
